To the best of my knowledge, I have listed above all of my child's medical allergies, medications being taken, medical problems and other pertinent information.

I further understand that, in the event my child requires medical or dental treatment while engaged in church activities, reasonable efforts will be made to contact me; however, if I cannot be reached, I hereby consent and give permission to this church's children workers or any adult counselor acting on behalf of this church, as an agent for me, to consent to emergency medical treatment advised and supervised by a physician, surgeon, EMT, or dentist (as appropriate) licensed to practice under laws of the state where the services are rendered, either as an outpatient or in any hospital.

I further understand that this church carries medical and hospitalization insurance coverage which, consistent with the exclusions, limitations and terms thereof, may provide benefits over and above any personal medical and hospitalization coverages available to my family. I understand that any personal medical and hospitalization insurance available to my family will provide primary coverage and this church's medical and hospitalization coverage (subject to the exclusions, limitations and provisions in the ministry's policy) may provide secondary or excess coverage. I agree to apply first for benefits from the personal hospitalization and medical coverages available to my family, if any, before applying for benefits that may be available from this church's medical and hospitalization coverage.
