- If you place a puzzle in the exchange, please understand that you may not get it back.
- Make sure all puzzle pieces are sealed in a zip-top bag inside the box.
- If you know a puzzle is missing pieces, please make a note of it.
- Parents, please supervise children in 5th grade and younger while they are using the puzzle exchange.
- For now, just take one puzzle at a time.

DIG DEEPER

When We Lose Our Way

DIG DEEPER

A guide for personal or family devotion time, or small group or ABF

Pray	Ask Jesus to guide your time. Pray through requests for family, church, community, career, friends, etc.
Focus	When the knowledge of God fades, what happens to a people?
Read	Hosea 4:1-19 (Read in 2 different versions)
Reflect or Discuss	1. “Knowledge that never becomes faithfulness is not yet the knowledge Hosea has in mind.” – <i>What truth about God do I affirm with my words but struggle to live or embody in my speech, habits, spending, forgiveness, or relationships?</i> 2. “When the knowledge of God fades, sin multiplies and moves outward.” – <i>How are my worship, desires, and daily decisions shaping the people and environments around me; for better or worse?</i> 3. “We cannot guide others along a path we have stopped walking.” – <i>Who is being formed by/through my example? Where might God be inviting me to recover faithfulness before attempting to guide someone else?</i> 4. “False worship does not only misdirect our devotion; it diminishes our discernment.” – <i>What voice, news outlet, social media feed, number, opinion, or source of approval do I regularly consult to tell me what matters? How might it be shaping what I desire, fear, or believe?</i> 5. “Israel wanted the pasture without being shepherded. They wanted God’s provision without God’s direction.” – <i>Where am I asking for God’s provision while resisting His direction? What would one concrete step of following the Shepherd look like this week?</i>
Apply	Practice Hearing before Hurrying: before the day’s other voices chime in, read a portion of scripture slowly and deliberately. What is God revealing about Himself, and what response does this truth ask of me? Trace the Fruit: Choose one truth I know about God: He is truthful, merciful, just, generous, patient, or present. Identify one concrete action through which that truth can become visible in my life this week. Take inventory of what is training my desires: Identify one repeated voice, habit, or source of input that is making me less able to recognize and respond to God. Silence, interrupt, or replace it this week with a practice that helps me listen to and follow Jesus.
